

# INCIDENT BRIEF (ICS 201) AGENDA

Using ICS 201 as an outline, include:

1. Current situation (using a map and/or chart highlight incident origin, operations area, geography and operating environment, hazard areas, etc.).
2. Facilities established.
3. Objectives and priorities.
4. Current actions to support objectives and current organization.
5. Planned actions to support objectives.
6. Methods of communication.
7. Resources overview.
8. Incident potential.
9. Other relevant topics (limitations & constraints, notification status, external influences, media reporting, agencies involved and stakeholders, key response thresholds, etc.).
