PRIVACY ACT STATEMENT

Pursuant to 5 USC 552a(e)(3), this Privacy Act Statement serves to inform you of why the Coast Guard is requesting the information on this form.
AUTHORITY: USCG is authorized to collect this information pursuant to HSPD-5, PPD-8, Commandant, general powers, and COMDTINST M3010.24 (series).

PURPOSE: USCG will collect this information to assist emergency response personnel in the application and execution of the Incident Command System (ICS) and corresponding documentation during incident operations.

ROUTINE USES: Information is used by authorized Incident Command officials to assist the Coast Guard and other agencies in all facets of emergency and incident management to prioritize and gauge the effectiveness of response actions. This form is intended for use as a tool for the creation of an Incident Action Plans (IAPs), for other incident management activities, and for support and documentation of ICS activities.

DISCLOSURE: Furnishing this information is voluntary; however, the Coast Guard and other agencies may not be able to properly respond to incidents or provide resources without this valuable input.

GENERAL INSTRUCTIONS

Purpose. The Assignment List Attachment form (ICS 204A-CG) shows more specific instructions for specific resources if needed. This form may be used to support ICS-204-CGs for the Operations Section or the Intelligence/Investigations Section. A separate sheet is used for each Division or Group. The identification letter of the Division is entered in the form title. Also enter the number (roman numeral) assigned to the Branch. The need for an ICS 204A-CG is determined by the Planning and Operations or Intelligence/Investigations Section Chiefs during the development of the Operational Planning Worksheet (ICS 215-CG) development.

Preparation. The ICS-204A-CG is completed by the Operations Section to accompany the ICS 204-CG Assignment List. These forms should be prepared with the assistance of the Safety Officer to ensure personnel assigned to the field have the proper equipment, supplies, and direction for potential threats and hazards.

Distribution. The ICS 204A-CG is attached to the corresponding Assignment List ICS 204-CG and provided to the Leader or personnel assigned. All completed original forms MUST be given to the Documentation Unit.
